

## RESOLUTION 18-15

### DULUTH-SUPERIOR METROPOLITAN INTERSTATE COUNCIL

#### *Adopting NHS Pavement and Bridge Condition Performance Targets (PM 2)*

*Whereas*, the Duluth-Superior Metropolitan Interstate Council (MIC) was created by the Arrowhead Regional Development Commission (ARDC) and the Northwest Regional Planning Commission (NWRPC) as the urban transportation planning organization for the Duluth-Superior area; and

*Whereas*, the United States Secretary of Transportation is authorized to make grants for transportation planning projects through designated Metropolitan Planning Organizations; and

*Whereas*, the U.S. Department of Transportation established performance measures for pavement and bridge condition on the National Highway System as detailed in 23 CFR 490, Subpart C, National Performance Measures for Assessing Pavement Condition, and 23 CFR 490, Subpart D, National Performance Measures for Assessing Bridge Condition;

*Whereas*, the Wisconsin Department of Transportation (WisDOT) established performance targets for each of the four NHS pavement condition performance measures in accordance with 23 CFR 490.307(a); and

*Whereas*, WisDOT established performance targets for each of the two NHS bridge condition performance measures in accordance with 23 CFR 490.407(c); and

*Whereas*, metropolitan planning organizations (MPOs) must establish performance targets for each of the NHS pavement and bridge condition performance measures; and

*Whereas*, MPOs establish NHS pavement and bridge condition targets by either agreeing to plan and program projects so that they contribute to the accomplishment of the State DOT NHS pavement or bridge condition target or commit to a quantifiable target for the metropolitan planning area; and

*Now, therefore, be it resolved*, that the Duluth-Superior Metropolitan Interstate Council (MIC) agrees to plan and program projects so that the projects contribute to the accomplishment of WisDOT's NHS pavement and bridge condition targets for percentage of pavements of the Interstate Systems in good condition, percentage of pavements of the Interstate Systems in poor condition, percentage of pavements of the non-Interstate NHS in good condition, percentage of non-Interstate NHS pavements in poor condition, percentage of NHS bridges classified as in good condition, and percentage of NHS bridges as in poor classified .
