

East 2nd Street – Project Overview

- Full Reconstruction from 6th Ave E to 12th Ave E
- Construction May 2020 – October 2021
- New water utility main & hot water system to St. Luke's Hospital
- New storm sewer
- Reconstruction of sidewalk & curb ramps
- Improvements for safe bicycle use
- Upgraded street crossings & ADA accessibility

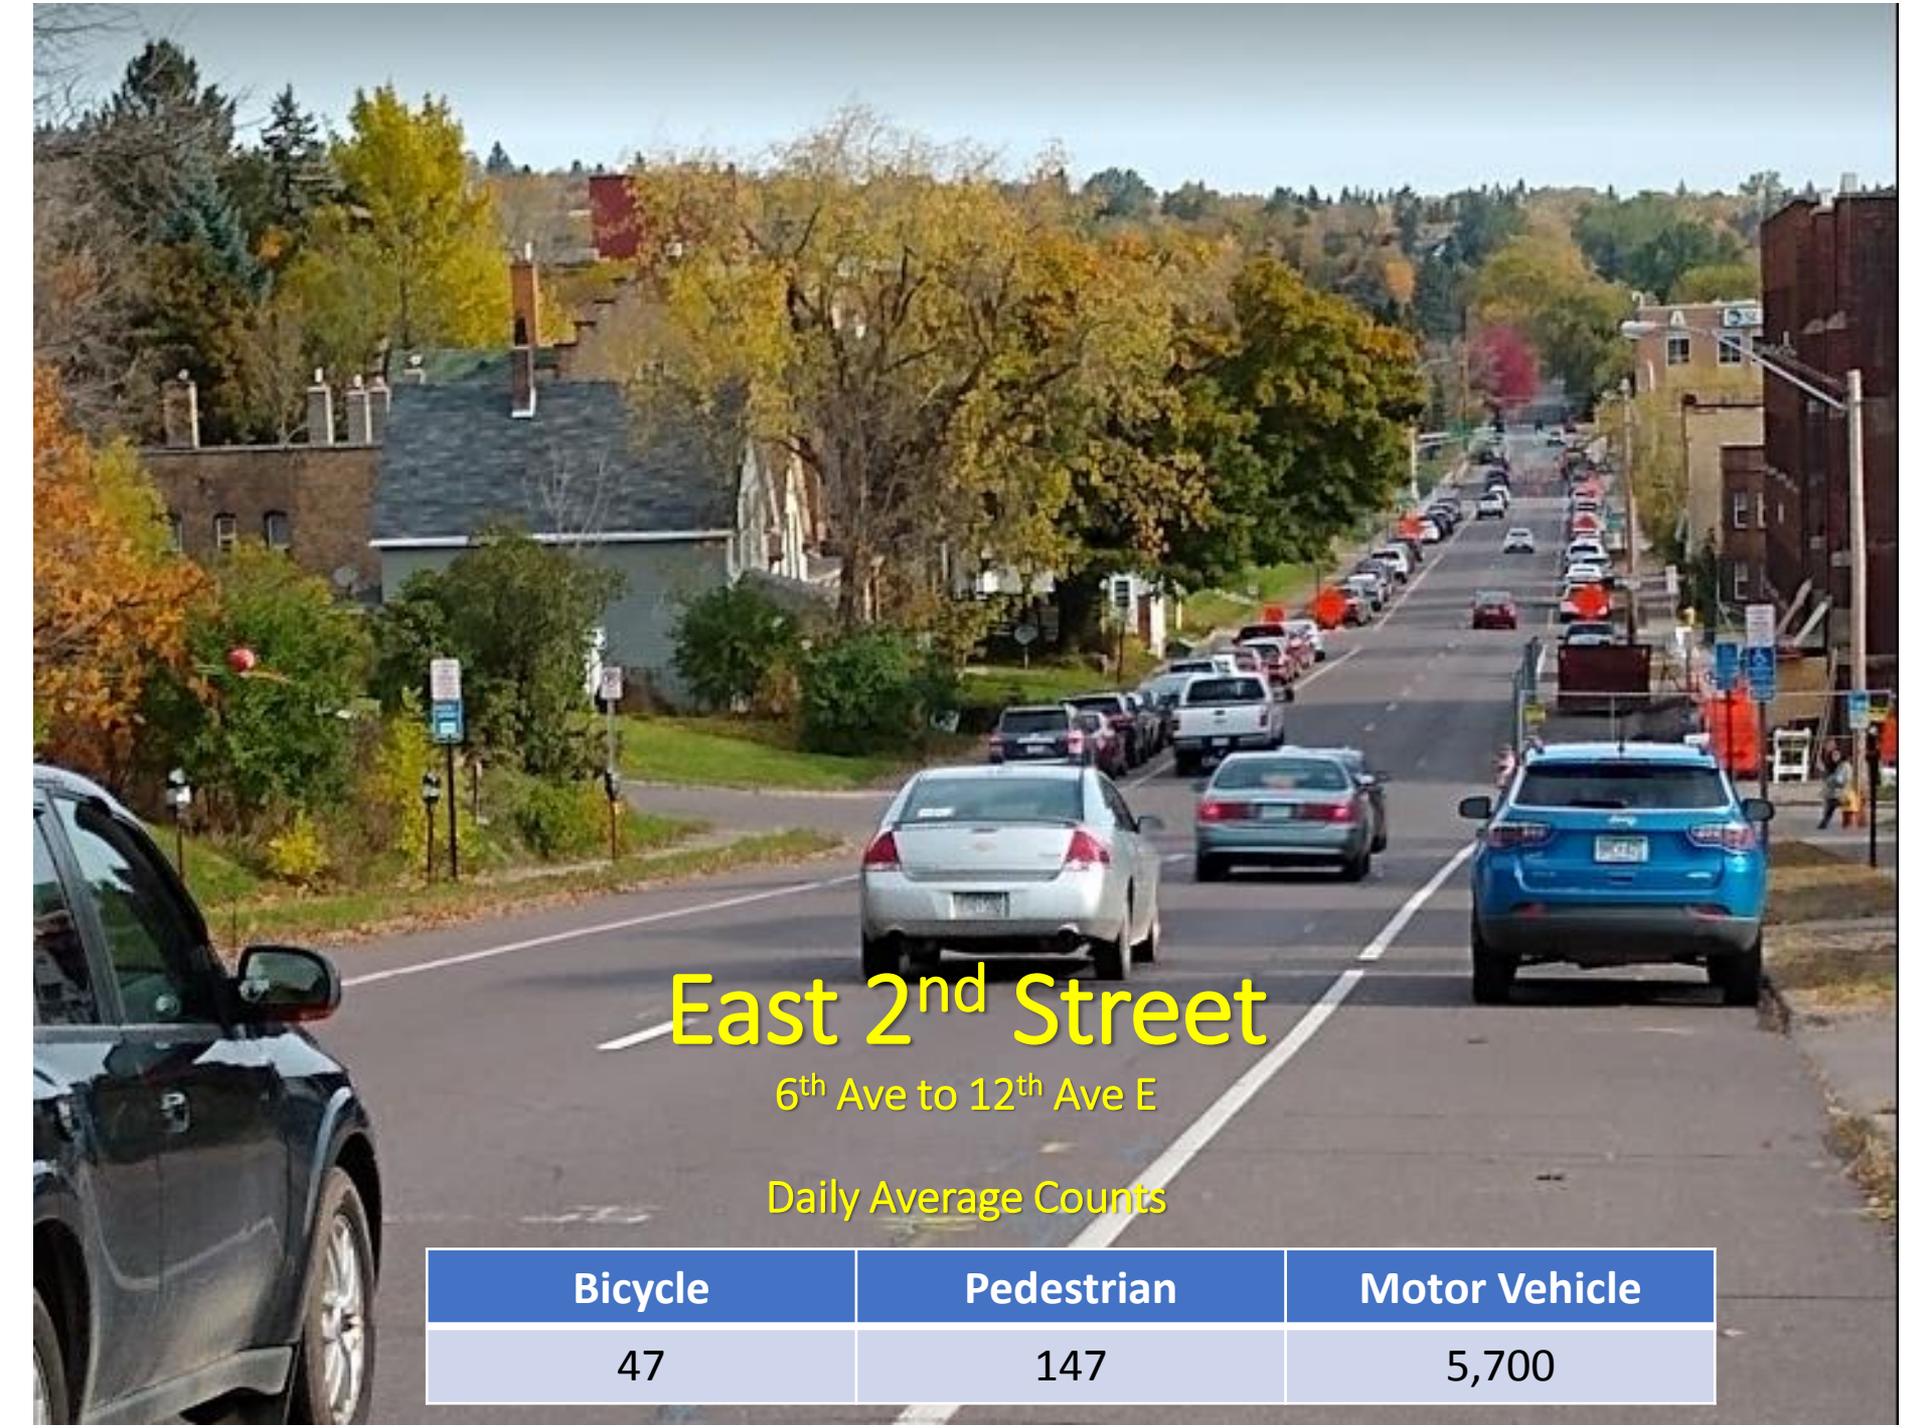

A photograph of East 2nd Street, a hillside road with cars and trees. The street is lined with trees showing autumn foliage in shades of yellow and orange. Several cars are parked along the sides, and a few are driving on the road. The street is flanked by buildings, including a large brick building on the left and a multi-story brick building on the right. The sky is clear and blue.

East 2nd Street

6th Ave to 12th Ave E

- Mix of high density residential housing, institutions and medical.
- Across the hillside one-way pair with 3rd Street
- 46% of households without a vehicle.
