The Duluth-Superior Metropolitan Interstate Council (MIC), located at the Arrowhead Regional Development Commission in Duluth, has prepared a Draft Fiscal Year 2021-2024 Transportation Improvement Program (TIP) for the Duluth Metropolitan Area. The Draft TIP lists all transportation projects in the greater metropolitan area that are recommended by the MIC Board to receive federal transportation funds for FY 2021-2024.

To view the Draft TIP online, visit www.dsmic.org/duluth2024.

Public comments are being taken from May 21 through June 19, 2020 on the Draft TIP and its proposed projects. To request a hard copy of the document, contact James Gittemeier, who is taking all public comments on the document, at jgittemeier@ardc.org or (218) 529-7556. (Free TTY services are available through Minnesota Relay at 800-627-3529). Comments and questions are welcomed for the duration of the public comment period.

Three public informational sessions will be held on Thursday, June 11, 2020, from 9am-10am, Noon-1pm, and 4pm-5pm to review the proposed projects, answer questions and take comments. For the protection of the community, this meeting will be held online and by telephone during the current Minnesota COVID-19 State of Emergency. Public access and public comment opportunities will be provided as permitted by Minn. Stat. § 13D.021 for local government meetings, allowing the use of communications media technology such as telephone and video conferencing. **Login and call-in information can be viewed on the TIP web page at visit www.dsmic.org/duluth2024.**

The Draft TIP, along with all comments received, will be considered for final approval at the MIC Board meeting on June 24, 2020. The final version of the 2021-2024 TIP will list all transportation projects that have been planned and programmed for federal funding within the Duluth area for those four years.

Public comment is solicited for a 30-day period in accordance with the MIC's Public Involvement Plan for this Draft, as well as for the final TIP upon introduction of a major amendment. The MIC's public participation process satisfies the Duluth Transit Authority's public participation requirements for the program of projects.
