

WELCOME

Duluth-Superior Metro Pedestrian Plan

Advisory Committee Meeting #4

Friday July 17, 2020

10:30am-11:30am

dsmic.org/pedplan2020/

METROPOLITAN PEDESTRIAN PLAN

1. General Public Input Survey = outreach

www.surveymonkey.com/r/DSPedPlan

2. Survey Promotion – short videos

- Segments of streets that are enjoyable

- Segments of streets that are uncomfortable

- Interviewing people utilizing the system from a range of perspectives

3. Pedestrian topic to hold focused group conversations

4. Next Steps

5. Next meeting – Friday August 21 at 10:30am

Plan Timeline

What are 3 of your favorite urban environments to walk in the MIC area?

Business Districts

- Downtown Duluth – Superior Street
- Downtown Superior – Tower Avenue
- Canal Park – Buchanan St & Canal Park Drive
- Lincoln Park Craft District – Superior Street
- Fitgers Area – Superior St

Walking/Hiking Trails

- Lakewalk
- Campus Connector Trail
- Lester River Trails
- Chester Park Trails
- Tischer Creek Trails
- Amity Creek Trails
- Lincoln Park Trails
- Superior Hiking Trail
- Scholastica Trails
- Mission Creek Trails - Old Skyline Pkwy (Western Seven Bridges Rd)

Unique Features

Vistas

- Skyline Pkwy – Enger, Hawk Ridge

Historic Walks

- Incline Steps/7th Ave W

Residential Areas

Residential Streets

- East 10th St
- 1st Ave (Proctor)
- 11th Ave E
- East 8th St
- East 5th St

Neighborhoods

- East Hillside
- Hunter's Park
- Woodland

Walkability Vision – what are the key features?

- It shouldn't be a requirement to own/drive a car to live and work in a city/urban area.
- When we build environments for children and elders, how would they access this space,
- It's a space where everybody has access.
- 8-80 approach
