Better CE Survey Results

80 + surveys completed onsite and online

40 comments added to online map

Many discussions with participants during the event

Fairly even age & gender distribution

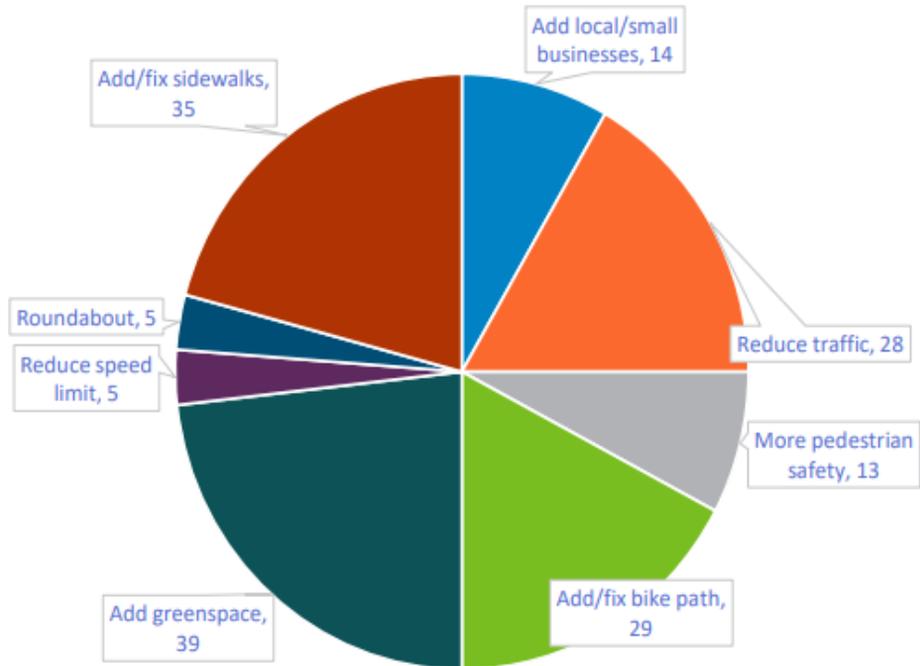

CE Top Strength = access to mall, downtown, hospitals, & lake (68%)

CE Top Need = Walkability, followed by safety and crossing the street

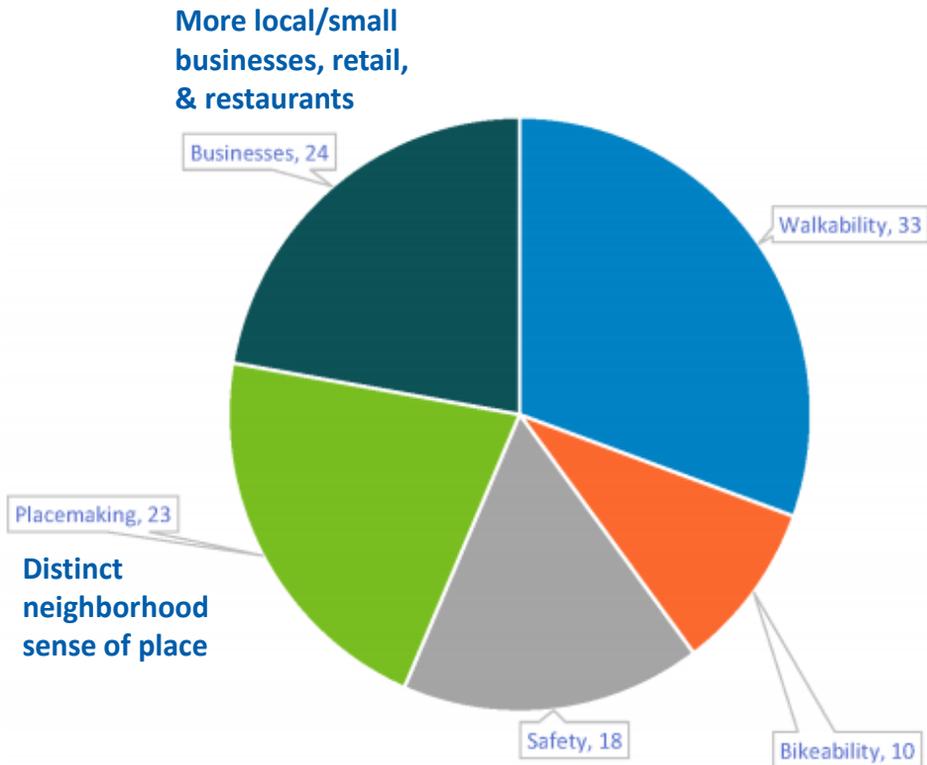

CE Challenges:

- **Traffic**
- **Turning into businesses / left turns**
- **Lack of safety**
- **Lack of adherence to the speed limit**

If you were in charge for a day, if it were up to you, what change(s) would you make to improve CE?

What words describe your future vision for CE and the surrounding community?

Comments? Questions?
