**TIP AMENDMENT #6**

**Cost Increase and Scope Change for Railroad Street Project**

Project ID #118-118-005 (2025)

The City of Duluth has requested a cost increase, scope change, and correction to the project description for the 2025 pavement resurface and rehabilitation project (repaving, curb and gutter, sidewalk ADA upgrades) on Railroad Street from 5<sup>th</sup> Avenue West to Canal Park Drive.

The cost increase is due to updated project estimates as well as a change to the scope of work (storm sewer work is not needed and was removed from the project). The project description will be corrected to include replacement traffic signals at two intersections on Railroad Street (at S. Lake Ave and at N. Lake Ave/Canal Park Drive) and streetlights, as originally intended elements of the project.

The total project cost has increased from \$2,100,000 to \$2,500,000, a cost increase of \$400,000.
