**4. MnDOT Functional Classification Greater MN Update**

Travis Houle, Transportation Planner for ARDC’s Planning Division, gave an overview of the MnDOT Functional Classification update. The purpose of the statewide Functional Classification update is to ensure that Minnesota’s road classifications align with federal standards following recent census changes. Roadway classifications are tied to funding eligibility and design standards and so this process ensures that each road serves the right function for the local and regional community. MnDOT will review and update the current classifications and will send their recommended changes to the local

jurisdictions and MPO for review. Jurisdictions can submit an appeal for any disagreements with the classifications. The estimated timeline will include a region by region review by MnDOT to be finalized by June 2<sup>nd</sup> and an overall completion of the entire state is anticipated by late 2025 or early 2026.

#### 5. Round Table Discussion

- Mike Wenholz stated that a change to the definition for “Regionally Significant” will be included in the 2026-2029 Duluth Area TIP document, to be in alignment with MnDOT.

#### 6. Project Updates

- **Title VI and Language Access Plan - Update 2025**

The MIC’s Title VI Plan is being updated with 2020 Census information and will be presented for Board approval in June.

This Plan is the framework for the MIC’s efforts to ensure compliance with federal statutes regarding nondiscrimination (to assure that no person or group of persons shall, on the grounds of race, color, or national origin, be excluded from participation in activities administered by the MIC). In addition, the Language Access Plan, which describes the measures we take to provide meaningful access to our planning processes to persons with limited English proficiency.

Changes from the 2021 to the 2025 versions of these Plans are minimal and will be reviewed at the meeting.

- **Bicycle Pedestrian Advisory Committee (BPAC) Update**

The BPAC met on May 1 with a full agenda covering a variety of topics, including a debrief and discussion of next steps regarding implementing the recently approved 2025 Duluth-Superior Area Bicycle Transportation Plan, key take-aways from a recent bike and ped design training, updates of bike and ped concerns related to the 40<sup>th</sup> Avenue West and 26<sup>th</sup> Avenue East/London Road roundabout projects, and a brief update of the upcoming Mayors’ Bike Event.

#### 7. Adjourn:

With no further agenda items, discussions or announcements, Director Chicka adjourned the meeting at 2:19 pm.
