MnDOT, WisDOT to host Blatnik Bridge public update meeting Oct. 20

DULUTH, Minn. – The Minnesota and Wisconsin Departments of Transportation host a public update meeting for the Blatnik Bridge project on Monday, Oct. 20, at 5 p.m. in the Superior (Wis.) Public Library, 1530 Tower Ave, Superior, WI 54880. There will be a presentation and time for questions about the project.

The presentation will include key accomplishments over the last year such as preliminary engineering, permitting, environmental document updates and development of contract documents for bidders. The team will also provide information on traffic mitigation, main span lighting on the new bridge and an estimated construction schedule.

For those unable to attend in person, please visit the project website at mndot.gov/d1/projects/blatnik-bridge for updated information and a short video on work done this year.

MnDOT invites and encourages participation by all. If you need an ASL, a foreign language interpreter or other reasonable accommodation, or need documents in an alternative format (such as braille or large print) for this email or event, please email your request to Janet Miller at ADArequest.dot@state.mn.us or call 651-366-4720.
